Subject: Email 2 of 2 - Official Notification of Cancellation of Trademark

Dear Juma of the Larrakia,

Thank you very much for contacting the WIPO Arbitration and Mediation Center (WIPO Center).

WIPO Arbitration and Mediation Center

The WIPO Center is a neutral, international and non-profit dispute resolution provider that offers time- and cost-efficient alternative dispute resolution (ADR) options. Specifically, the WIPO Center administers disputes between private parties under the WIPO Arbitration, Expedited Arbitration, Mediation and Expert Determination Rules, which are widely recognized as particularly suitable for cross-border intellectual property (IP) disputes, including IP and trademark infringements. You may find an explanation of our different ADR procedures on our website at <https://www.wipo.int/amc/en/center/wipo-adr.html>.

WIPO Mediation

In light of your dispute concerning the use of your sacred emblems with the other party(ies), we would suggest to consider WIPO Mediation. Mediation is a non-binding procedure controlled by the parties in which a neutral intermediary, the mediator, assists the parties in reaching a mutually satisfactory settlement of the dispute. More detailed information on WIPO Mediation is available on our website at <https://www.wipo.int/amc/en/mediation/>.

In order to submit the dispute to WIPO Mediation, pursuant to Art. 4 of the WIPO Mediation Rules (available at <https://www.wipo.int/amc/en/mediation/rules/>), you may complete sections 1 and 2(a) of the attached Request for Mediation, in particular the responding party's contact information, and submit it to the WIPO Center at arbitrator@mail@wipo.int. Upon receiving the Request for Mediation, the WIPO Center will contact the responding party to explain the procedures and assist in considering WIPO Mediation.

Please copy the other party by email when you submit the Request for Mediation to the WIPO Center. If the other party's email address cannot be identified, please send it to the other party by courier.

The WIPO Center's efforts in assisting the parties to mediate are often successful due to the parties' common interests in knowing the strengths and weaknesses of their respective positions, while taking very little risk as the content of a WIPO Mediation cannot be further used in court or arbitration proceedings (unless the parties agree otherwise). The WIPO Center's statistics show that 70% of the cases administered settle.

- *How much does it cost to file a Request for WIPO Mediation?*

The filing of a Request for Mediation in accordance with Article 4 of the WIPO Mediation Rules is not subject to administration fees. If the parties agree to continue with the Mediation process, an administration fee will apply per Article 22 of the WIPO Mediation Rules and the WIPO Center's Schedule of Fees and Costs (available at www.wipo.int/amc/en/mediation/fees/).

- *Consensual nature of WIPO procedures*

It is important to note that WIPO procedures are consensual and that both parties would need to agree to refer the dispute to WIPO Mediation. If the other party is not interested in participating in a mediation procedure, the WIPO Center will not be able to continue with such procedure.

We look forward to receiving the Request for Mediation form, should you decide to submit the matter to WIPO Mediation. We would also kindly invite you to forward this communication to the responding party to provide some background information on WIPO Mediation.

Best regards,

WIPO Arbitration and Mediation Center
